# AUGUST 30<sup>TH</sup>, 2012

# LESSON QUESTION

- How can I be successful in Seventh Grade?

- Goals:
  - Practice and explore classroom procedures.
  - Practice and explore technology expectations.

# BELL RINGER

- Please come in and get a paper from the podium.
  - Task: please transfer any notes from yesterday onto this new, printed, and organized sheet.

- As we wait for everyone to enter, please send **one** person to get your group charts.

- Do not touch the laptops on your desk…yet. ☺

# CLASSROOM EXPECTATIONS: 5 P'S

- **Groups will share their findings with the class for their first try in Comm. Arts at Public Speaking.**

- **Be Prompt**
- **Be Prepared**
- **Be Productive**
- **Be Polite**
- **Be Positive**

# LAPTOP ASSIGNMENTS

- You will have the same laptop all year. You are responsible for reporting any damage or problems. Treat the technology in this room with respect!

- Laptops are assigned by seat.

- When returning laptops, they must be plugged in.

- Period 4 and Period 7 will **shut down** laptops. Period 3 and 6 will turn them on and log off at the end.

# COMPUTER ETIQUETTE

- Go to our weebly:
- misslehman.weebly.com

  - Has anyone had trouble accessing the site at home?

  - Go to the **Home** tab and click **Tech. Set up**.

  - Click on the Computer Etiquette link.
  - Log on to Google with your Derry Township Log in information.
  - Today we will create a class folder.

# YOUR GOOGLE DOCS

- We will continue looking over the Computer Etiquette document and learn how to make a collection for your own Google Docs!

- **What is one tip we can remember about dealing with technology as a class?**
