

“Is Technology Killing our Friendships?” by Lauren Tarshis

Directions: Gather three pieces of evidence for each side of the argument. A well-researched argument is knowledgeable about BOTH sides of an issue.

YES We're replacing friends with screens.	No Technology brings us closer together
1. 2. 3.	1. 2. 3.
<p>Examine points on both sides of the debate- as well as your own beliefs- and decide what you think. State your opinion below. This can become the thesis statement for an argument essay or guide a debate.</p>
