

SEPTEMBER 6TH, 2012

BELL RINGER

- Please come in and take a paper from the podium.
- With your notebooks closed, answer the following.

List **three** questions you can ask to move or redirect discussion groups forward.

You will have **three** minutes! This should be review.

DISCUSSION FCAS

- Discussion FCAs: Discussion Focus Correction Areas

1. Be prepared to participate in discussion.
2. Positively contribute to the group's understanding with specific or additional facts or opinions. Move the discussion forward with meaningful contributions.
3. Use appropriate and respectful discussion skills.

EXPECTATIONS

Based on your group discussions yesterday, what does each FCA mean to you? What kinds of actions should each of these FCAs include?

- Discussion FCAs:

1. Be prepared to participate in discussion.

2. Positively contribute to the group's understanding with specific or additional facts or opinions. Move the discussion forward with meaningful contributions.

3. Use appropriate and respectful discussion skills.

FISHBOWL

- Fishbowl?
- While students are demonstrating a discussion, you will be rating each individual based on the discussion FCAs.

1. Be prepared to participate in discussion.

2. Positively contribute to the group's understanding with specific or additional facts or opinions. Move the discussion forward with meaningful contributions.

3. Use appropriate and respectful discussion skills.
