

The real world was a strange place.  
No kids were eating cake.

No one stopped to hear the music.

And everyone needed naptime.

Then he finally saw something familiar....

So he followed.

He climbed to the top of a tree and looked out,  
wishing and hoping his friend would come.

But no one came.

He thought about how far he'd come and how long he'd waited, and felt very sad.

Then he heard a noise below.

Hello!

Her face was friendly and familiar, and there was something about her that felt just right.

At first, they weren't sure what to do.

...after a little while

Neither of them had made a friend before.

they realized

But...

they were perfect together.

Beekle and Alice had many new adventures.

They shared their snacks.

They told funny jokes.

The world began to feel a little less strange.

And together they did the unimaginable.
